

E-Therapy

Your Students, Our Focus

Online therapy for PreK–12th grade special needs students across the nation.

Direct Teletherapy Services

- ▶ Speech Therapy
- ▶ Mental and Behavioral Health
- ▶ Occupational Therapy
- ▶ Physical Therapy
- ▶ Assessments & Diagnostics
- ▶ Psych Ed

E-Therapy provides customized, high quality teletherapy services to public, private, charter, virtual, in-person, and hybrid schools nationwide. No minimum caseloads or hidden fees.

License the eSMART Teletherapy Solution

Your own therapists will become teletherapy experts using eSMART, our HIPPA compliant teletherapy platform, to serve PreK-12 students remotely and in person. We provide training and resources, and their account manager is with them every step of the way.

Our mental health experts utilize new online resources, training, and an innovative teletherapy approach to encourage and inspire educators. Learn through live, on-demand, and self-paced sessions.

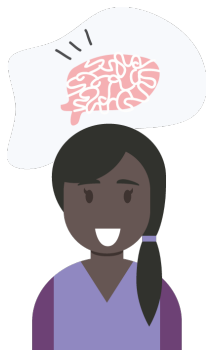

What's included:

- Live trainings for staff
- Self-directed modules
- Live self-care check-ins
- Resources, tools, and tangibles
- Train the trainer program

Mental Health Services:

- ▶ *Student Identification, Screening, Referral Programs and Direct Services*
- ▶ *In Person Professional Development Training*
- ▶ *Group Coaching and Wellness Sessions for Educators*
- ▶ *Crisis Support Implementation Plan and Training Program*
- ▶ *Suicide Assessment /Re-Entry Planning/Implementation*
- ▶ *School-wide Strategies to Support Students in Need*
